

AMOEBA SISTERS RESOURCES

Learning Playlist

FREE!

[CLICK HERE](#)

Our YouTube learning playlist features our biology videos organized by chapter topics in our suggested sequence.

Biology Review Video

FREE!

[CLICK HERE](#)

Our mega review video goes through major concepts covered in biology and reinforces vocab.

Science Comics

FREE!

[CLICK HERE](#)

Arranged by topic at bottom of page!

Our comics can be used as discussion starters or to test for comprehension. Ask students to explain them and the vocabulary involved.

Science GIFs

FREE!

[CLICK HERE](#)

A GIF is a series of pictures looped together to make an animation. Ask students to "narrate" them and have them identify ways the GIF model could be improved. Students can create them too!

Handouts

FREE FOR SPECIFIC TOPICS

[CLICK HERE](#)

Uses our video cartoons to help students connect to the content after viewing one of our short videos.

Video Script Templates

[CLICK HERE](#)

An edited form of our already available video transcripts that asks for student annotations, sketches, and questions.

Unlectured Series

[CLICK HERE](#)

An alternative to traditional lecture and notes that places more emphasis on discussion, student questioning, and student creation.

Find our terms of use on our website.
As noted in terms, our creations cannot be in items that you sell.
